Teamwork & Network, Key Asset Investment Growth for MNP Group

CEO Message

Hi friends! It is December now, a month that worth celebrating our achievement and at the same time be thankful on the good lessons that we have walked through this year! We will also work harder next year for things that we have under-achieved.

There are two important events next months that I wish to highlight to our supporters. Straits Chinese Antique...

We are glad to announced that MNP has upgraded it's existing Quality Management Service from ISO 9001:2008 to ISO 9001:2015 ! We would like to reiterate that MNP is the only ISO Certified Auctioneer in Malaysia!

ISO 9001 is based on the plan-do-check-act methodology and provides a process-oriented approach to documenting and reviewing the structure, responsibilities, and procedures required to achieve effective quality management in an organization.

Open Bidding Process Is A Better Way To Buy And Sell Real Estate

TORONTO — When Vanessa Witkowski and her husband were tasked with selling his grandmother’s home, they both knew they didn’t want to do it the traditional way.

What they wanted was to have a more transparent process and to avoid wasting time “playing games” with potential...

Auction Of Special Number Plates Will Move To Online

KUALA LUMPUR: Bids for special number plates will be done online to ensure better transparency in the process, says Transport Minister Anthony Loke.

The Ministry, said Loke, was looking into ways to further enhance the process to bid for these special number plates online to be more transparent...
